In 1925, our grandfather, Frank Pepe, opened the original Frank Pepe Pizzeria Napoletana in New Haven, CT.

Since 1925, our unique style of pizza has been handcrafted by skilled pizzaiolos using Frank Pepe's time-honored recipes and techniques. At the heart of this tradition is Grandpop's dough recipe, featuring high hydration and double fermentation. This process creates a light and airy yet chewy interior crumb structure, complemented by a crisp, crunchy exterior. Our time-tested fermentation and proofing stages further enhance and deepen the dough's flavor.

The real magic happens when this dough meets Frank Pepe's legendary ovens. A defining feature of a Pepe's pie is our 600-degree, 14-by-14-foot, 100,000-pound coal-fired oven. Unlike other ovens, the intense, dry heat of our coal-fired fuel ensures a firm, blistered crust with a perfectly soft, chewy interior. The coal's dry heat eliminates excess moisture, resulting in a crisp, charred finish that simply can't be replicated.

Our family thanks you for your loyal patronage over the past 100 Years!
